Whenever a Lions club gets together, problems get smaller. And communities get better. That's because you help, where help is needed – in our own communities and around the world – with unmatched integrity and energy. Your organization has a rich history of making a difference, and fundraisers have played a major role, as Lions club host an array of fundraisers each year. These fundraisers support our communities, because you give 100% of the money raised to designated causes.

Finding good fundraisers and creative ways to fundraise is the only way to be successful! Our Simple, Comfortable, & Profitable fundraiser is designed to assist non-profit organizations with raising funds. Fundraising can be competitive and it seems that communities are asked to buy the same products over and over again to support multiple organizations in their community.

The Sheet Fundraiser, is an incredible fundraiser that consistently produces positive customer feedback and high profits for organizations. Our program offers a universally NEEDED quality product at an affordable price, while supporting a worthy cause. With Sheet Fundraiser.com, some motivation and a little teamwork, you will meet and/or surpass your fundraising goals.

Below is a testimony from the Oklahoma Lions Club that was able to raise over \$34,000 in just eight weeks!

"I just received another order today for 105 sets. Would you believe that out of 2 1/2 pallets, I am out of King Creme, Twin White, and Full Aqua? Sometimes it seems I just cannot win. I cannot complain, this fundraiser has been so good. I never dreamed we would sell so many sheets and make so much money. We have

made over \$34,000 in the past two months. I may get the Lions of Oklahoma out of the whole yet. Thanks for all your help." - Janice
